Dear Mr. Philbert:

**Re: MUR 0774- LIBERATORE FOR CONGRESS COMMITTEE-2012 and Louis G. Baglietto, Jr.
in his capacity as Treasurer.**

Pursuant to our telephone conversation of March 21, 2014, the Liberatore for Congress Committee ("the Committee") hereby responds to the Matter Under Review. This response incorporates further comments from the entities named in the above complaint.

In regards, the Committee's bank account, the candidate has told me that the City National Bank account was the official and sole account used by the Committee during the 2012 Primary. When I filed the Amended Statement of Organization in March 2012, I was unaware of the change from Wells Fargo.

Since our discussion, I have Amended the 2012 12- Day Pre-Primary Report to correct the misreporting of Mr. Liberatore's loan of May 11, 2012 from \$500,000 to \$50,000 and I have filed a Termination report that reconciles all loans from Mr. Liberatore as forgiven. Please notify us of any action further actions that are needed to resolve this issue. Your assistance has been crucial in helping us.

In conclusion, we urge that the FEC close the MUR without further action.

The forgoing is correct and accurate to the best of my knowledge, information and understanding.

Respectfully submitted,

Louis G. Baglietto, Jr, Treasurer
